Continue on the back if necessary

1. Current Schedule and Estimated Completion Date:
(Please identify if and when PEEHP supported efficiency measures, as listed on the PEEHP Tasks and Materials, will be installed, and identify if any changes have been made to the construction schedule)

2. Major Milestones:
(This is a chance to note successes with the project, like energy modeling results that exceeded expectations, or an unexpected cost savings.)

3. Problems including unexpected plan changes and unexpected costs:
(Please be specific about what types of problems, and how they could be resolved)

- Please include copies of any analysis or documentation for LEED, Earth Advantage, or the Energy Trust
- Please include any new construction photos that we can post on our website
