About CMC

The **Community Music Center** (CMC) is a program of Portland Parks & Recreation in partnership with the nonprofit Community Music Center, Inc. For almost 60 years the Center has achieved its goal of full access to high quality musical activities, especially for those who otherwise do not have the means to afford them.

Funds raised by the nonprofit (CMC, Inc.) allow the Center to offer affordable music classes and lessons, free and low-cost concerts and workshops, low-cost instrument rentals, and other music related resources. Last year CMC Inc. provided over $125,000 in program subsidies.

Making a Difference

Parents say that students at CMC show more self-confidence, better listening skills, increased attention spans, academic improvement, and greater participation in the community.

"CMC has made a really phenomenal music education experience available to our children that would otherwise have been out of our reach."

- CMC Parent

A Message to Oregon Residents:

Dear Music Education Supporters,

Give the precious gift of music this month.

Please give to the Community Music Center's Annual Fund Drive. Your donation to CMC, Inc. makes it possible for children to play and sing music, regardless of their economic status. Every child needs equal access to music education for the opportunities it gives them to succeed in life and to make a positive difference in the community.

"My son made huge advances in self esteem [at CMC]. He started the year afraid to raise his hand in class, and by the end of the year, was playing his violin in the talent show for the entire school and community. Thank you for the scholarship. He would never have had the opportunity without it!"
- Parent of CMC Student

CMC, Inc., as a non-profit partner with Portland Parks & Recreation, provides need-based tuition scholarships, affordable instrument rentals, and other programs that lower the barriers for people of all ages to learn about, make, and enjoy music. Your financial support to CMC provides harmony through music education in the lives of hundreds of families and individual students in our community.

This newsletter has information about the Community Music Center and ways you can help us support music students in need. Donations of any amount are welcome and appreciated. To make a gift, you can:

- Donate online at www.CommunityMusicCenter.org,
- Call us at 503-823-3177, or
- Use the form on page 4 of this newsletter.

Thank you for your support. Have harmonious holiday season!
