[1] The listed contracts are only those that are subject to the City's Sweatshop Free Procurement Policy. Please note that listed contracts may also include non-Policy applicable items, thus contract dollar amounts do not necessarily indicate how much is spent on listed products.

[2] Not to exceed amount consists of the total amount permitted to be spent on the contract from the start date through the current end date, unless otherwise noted. **Depending on the start and end date, the not to exceed amount may reflect a multi-year total.** It does not reflect the actual dollar amount spent on the contract.

[3] Indicates compliance status of contractors with the City's Code of Conduct for Apparel Contractors, as declared by primary contractor. Compliance has not been verified by a third-party.
