Items on the tentative schedule are subject to change. Check the Planning and Sustainability Commission agenda a week prior to each meeting to confirm topics of discussion.

Other potential items for briefings:

- Metro's land use and transportation "scenarios" for climate change planning
- SW Corridor "project bundles" and their impact on land use in the City
- Current state of funding for the Youth Pass
- PBOT progress on parking permit strategy for developing corridors/centers
- City of Portland Title VI Plan
- Joint PDC/PSC Commissioner meeting (October?)
