Changes

All permits issued from the Customer Service Center are allowed one change in date or location. Any further changes may incur an additional application/processing fee.

Rain Dates

All film, video or still shoot permits issued from the Customer Service Center are allowed one rain date per date booked at no charge at the time of booking.

Multiple Days

Any large film shoot (multiple days in one park or multiple parks over several days) pays the larger application fee once and a deposit for the estimated amount for time reserved. The Production Company is allowed to call and make any number of changes with minimal notice without additional charge until the deposited fees are exhausted. If there is a credit balance at the end of the shoot, the remainder is refunded.

Multiple Parks

If a shoot is using multiple contiguous or adjacent parks on the same day, the block fee charged (1-14hrs, 15-24hrs) to the production may be applied to the rental of all the parks used

Availability & Lead Time

The Customer Service Center will make every effort to negotiate use when the desired location is not available. Please be advised that this is made more difficult the shorter the lead time. The Customer Service Center can not guarantee that a previously booked location can be made available.
