   #☐ Individuals #☐ Couples #☐ Families #☐ Unable to determine

Helpful Tips:

- Approaching potential respondents: Introduce yourself and say that you are working to survey people who are sleeping outside, in their cars, and in abandoned buildings as part of the Homeless Street Count. Ask if they slept outside or plan to sleep outside on Wednesday night 1/30. If yes, ask them if they are willing to participate in a short survey. Explain that the survey is confidential and will help our community to better respond to the needs of people experiencing homelessness.
- Use side A if you are able answer the questions in the grey box at the top of the form (initials, age, gender). We can't include the form in the official count without this information because we use it to eliminate duplicate forms.

  Use side B (this side) if you cannot collect identifying information, but the person is clearly unsheltered.
- Fill out one side A for each individual. For couples and families, attach forms together and include a household I.D. at the bottom of the form (first initial and first three letters of the last name of the head of household).
- This survey may be administered any time during the week of January 27-February 2, keeping in mind we are only surveying people who slept or will sleep outside on the night of Wednesday, January 30th.
- Please return all forms by February 8 to PHB (421 SW 6th, Suite 500 or Fax: 503-823-2387)
- Questions? Call Street Count Coordinators Kris Smock at 503-235-2492 or Mary Welch at (503) 823-3403.
