Agenda Item		Action
I.	Call to Order	WELCOME
II.	Request of Dr. Paul Herman, Portland's first Noise Control Officer, to address the Board. Dr. Herman will discuss concerns regarding noise sources located outside the formal city boundaries but on property owned by, or under the control of the City of Portland. In particular Dr. Herman's concerns focus on an upcoming City construction project operating outside the City that should be required to meet the City Noise code, Title 18.	Board Discussion
III.	Discussion on exploring the concept of a citywide "Quiet Prize" from the Noise Review Board to the members of the community, organizations, or to companies. The concept is to thank citizens for their efforts to address urban noise pollution. Dr. Paul Herman first suggested this educational outreach and awards concept over a decade ago.	Board Discussion
IV.	Review a three year variance request from the Metro Oregon Zoo for their summertime concert series in the zoo for up to 19 concerts each summer season in 2013, 2014, and 2015. Shows would generally start at 7 PM and be finished by 10 PM.	Review and approve, change, or modify
V.	Revisit approved noise variance number NV 2011-185296 for the Rose City Sewer Rehabilitation work at SE Cesar Chavez and SE Harrison Avenue, for up to 21 nights of work. The Noise Review Board decison on March 14, 2012 required the applicant to return to the Board to finalize the schedule and mitigation plans once more details were available to share with Board and the general public.	Review and approve, change, or modify
VI.	General Open Public Testimony	
VII.	Adjournment	

For special needs accommodations, contact the Noise Control Office at least 2 business days prior to the event. TTD phone (503) 823-6868
