Common Street Trees in Portland

For Portland's street tree inventory, most trees are identified to the genus level only, except where listed. Review the list and links below to familiarize yourself with the most commonly found street tree species in the Portland area.

alder (*Alnus*) http://oregonstate.edu/dept/ldplants/1plants.htm#alnus

arborvitae (*Thuja arborvitae*) http://oregonstate.edu/dept/ldplants/3plants.htm#thuja

ash (*Fraxinus*) http://oregonstate.edu/dept/ldplants/2plants.htm#fraxinus

beech (*Fagus*) http://oregonstate.edu/dept/ldplants/2plants.htm#fagus

birch (*Betula*) http://oregonstate.edu/dept/ldplants/1plants.htm#betula

box elder (*Acer negundo*) http://oregonstate.edu/dept/ldplants/1plants.htm#acer

cascara (*Rhamnus purshiana*) http://oregonstate.edu/dept/ldplants/3plants.htm#rhamnus

catalpa (*Catalpa*) http://oregonstate.edu/dept/ldplants/1plants.htm#catalpa

cedar (*Cedrus*) http://oregonstate.edu/dept/ldplants/1plants.htm#cedrus

cedar, incense (*Calocedrus decurrens*) http://oregonstate.edu/dept/ldplants/1plants.htm#calocedrus

cherry (*Prunus*) http://oregonstate.edu/dept/ldplants/3plants.htm#prunus

chestnut (*Castanea*) http://oregonstate.edu/dept/ldplants/1plants.htm#castanea

crabapple (*Malus*) http://oregonstate.edu/dept/ldplants/2plants.htm#malus

crape myrle (*Lagerstroemia indica*) http://oregonstate.edu/dept/ldplants/2plants.htm#lagerstroemia

cypress (*Chamaecyparis*) http://oregonstate.edu/dept/ldplants/1plants.htm#Chamae

dogwood (*Cornus*) http://oregonstate.edu/dept/ldplants/1plants.htm#cornus

douglasfir (*Pseudotsuga menziesii*) http://oregonstate.edu/dept/ldplants/3plants.htm#pseudotsuga

elm (*Ulmus*) http://oregonstate.edu/dept/ldplants/3plants.htm#ulmus

empress tree (*Pawlonia tomentosa*) http://oregonstate.edu/dept/ldplants/3plants.htm#paulownia

eucalyptus (*Eucalyptus*) http://oregonstate.edu/dept/ldplants/1plants.htm#eucalyptus

fig (*Ficus*) http://forestry.about.com/od/silviculture/p/fig.htm

fir (*Abies*) http://oregonstate.edu/dept/ldplants/1plants.htm#Abies

gingko (*Gingko biloba*) http://oregonstate.edu/dept/ldplants/2plants.htm#ginkgo

glorybower (*Clerodendron*) http://oregonstate.edu/dept/ldplants/1plants.htm#cltr

golden chain tree (*Laburnum anagyroides*) http://oregonstate.edu/dept/ldplants/2plants.htm#laburnum

golden rain tree (*Koelreuteria paniculata*) http://oregonstate.edu/dept/ldplants/2plants.htm#koelreuteria

hackberry (*Celtis occidentalis*) http://oregonstate.edu/dept/ldplants/1plants.htm#celtis

hawthorn (*Craetagus*) http://oregonstate.edu/dept/ldplants/1plants.htm#crataegus

hazelnut (*Corylus*) http://oregonstate.edu/dept/ldplants/1plants.htm#corylus

hemlock (*Tsuga*) http://oregonstate.edu/dept/ldplants/3plants.htm#tsuga

holly (*Ilex*) http://oregonstate.edu/dept/ldplants/2plants.htm#ilex

hop hornbeam (*Ostrya*) http://oregonstate.edu/dept/ldplants/2plants.htm#ostrya

hornbeam (*Carpinus*) http://oregonstate.edu/dept/ldplants/1plants.htm#carpinus

horse chestnut (*Aesculus*) http://oregonstate.edu/dept/ldplants/1plants.htm#aesculus

Japanese snowbell (*Styrax japonica*) http://oregonstate.edu/dept/ldplants/3plants.htm#styrax

juniper (*Juniperus*) http://oregonstate.edu/dept/ldplants/2plants.htm#juniperus

katsura (*Cercidiphyllum japonicum*) http://oregonstate.edu/dept/ldplants/1plants.htm#cercidiphyllum

Kentucky coffee tree (*Gymnocladus dioica*)
http://oregonstate.edu/dept/ldplants/2plants.htm#gymnocladus

larch (*Larix*) http://oregonstate.edu/dept/ldplants/2plants.htm#larix

lilac tree (*Syringa*) http://oregonstate.edu/dept/ldplants/3plants.htm#syringa

linden (*Tilia*) http://oregonstate.edu/dept/ldplants/3plants.htm#tilia

locust, black (*Robinia pseudoacacia*) http://oregonstate.edu/dept/ldplants/3plants.htm#robinia

locust, honey (*Gleditisia triacanthos*) http://www.hort.uconn.edu/plants/g/gletri/gletri1.html

london plane (*Platanus acerifolia*) http://oregonstate.edu/dept/ldplants/3plants.htm#platanus

madrone (*Arbutus menziesii*) http://oregonstate.edu/dept/ldplants/1plants.htm#arbutus

magnolia, deciduous (*Magnolia*) http://oregonstate.edu/dept/ldplants/2plants.htm#magnolia

magnolia, evergreen (*Magnolia grandiflora*) http://oregonstate.edu/dept/ldplants/2plants.htm#magnolia

maple (*Acer*) http://oregonstate.edu/dept/ldplants/1plants.htm#acer

maple, bigleaf (*Acer macrophyllum*) http://oregonstate.edu/dept/ldplants/1plants.htm#acer

maple, norway (*Acer platanoides*) http://oregonstate.edu/dept/ldplants/1plants.htm#acer

mimosa tree (*Albizia julibrissin*) http://www.hort.uconn.edu/plants/a/alnglu/alnglu1.html

mountain ash (*Sorbus*) http://oregonstate.edu/dept/ldplants/3plants.htm#sorbus

mulberry (*Morus*) http://oregonstate.edu/dept/ldplants/2plants.htm#morus

oak (*Quercus*) http://oregonstate.edu/dept/ldplants/3plants.htm#quercus

oak, Oregon white (*Quercus garryana*) http://oregonstate.edu/dept/ldplants/3plants.htm#quercus

pagoda tree (*Sophora japonica*) http://oregonstate.edu/dept/ldplants/3plants.htm#sophora

palm (*Trachycarpus*) http://www.palmsnc.org/pages/palm_detail.php?id=118

pear (*Pyrus*) http://oregonstate.edu/dept/ldplants/3plants.htm#pyrus

Persian ironwood (*Parrotia persica*) http://oregonstate.edu/dept/ldplants/3plants.htm#parrotia

persimmon (*Diospyros virginiana*) http://oregonstate.edu/dept/ldplants/1plants.htm#diospyros

pine (*Pinus*) http://oregonstate.edu/dept/ldplants/3plants.htm#pinus

pistache, Chinese (*Pistacia chinensis*) http://oregonstate.edu/dept/ldplants/3plants.htm#pistacia

plum (*Prunus*) http://oregonstate.edu/dept/ldplants/3plants.htm#prunus

poplar (*Populus*) http://oregonstate.edu/dept/ldplants/3plants.htm#populus

redbud (*Cercis canadensis*) http://oregonstate.edu/dept/ldplants/1plants.htm#cercis

redcedar, western (*Thuja plicata*) http://oregonstate.edu/dept/ldplants/3plants.htm#thuja

redwood (*Sequioa sempervirons*) http://oregonstate.edu/dept/ldplants/3plants.htm#sequioa

sequoia, giant (*Sequioadendron giganteum*) http://oregonstate.edu/dept/ldplants/3plants.htm#sequoia

smoketree (*Cotinus*) http://oregonstate.edu/dept/ldplants/1plants.htm#cotinus

sourwood (*Oxydendron arboreum*) http://oregonstate.edu/dept/ldplants/2plants.htm#oxydendrum

spruce (*Picea*) http://oregonstate.edu/dept/ldplants/3plants.htm#picea

stewartia (*Stewartia*) http://oregonstate.edu/dept/ldplants/3plants.htm#stewartia

sumac (*Rhus*) http://oregonstate.edu/dept/ldplants/3plants.htm#rhus

sweetgum (*Liquidamber styraciflua*) http://oregonstate.edu/dept/ldplants/2plants.htm#liquidambar

sycamore, American (*Platanus occidentalis*) http://oregonstate.edu/dept/ldplants/3plants.htm#platanus

tree of heaven (*Ailanthus altissima*) http://www.hort.uconn.edu/plants/a/ailalt/ailalt1.html

tulip poplar (*Liriodendron*) http://oregonstate.edu/dept/ldplants/2plants.htm#liriodendron

tupelo (*Nyssa sylvatica*) http://oregonstate.edu/dept/ldplants/2plants.htm#nyssa

walnut (*Juglans*) http://oregonstate.edu/dept/ldplants/2plants.htm#juglans

willow (*Salix*) http://oregonstate.edu/dept/ldplants/3plants.htm#salix

yellow wood (*Cladrastis lutea*) http://oregonstate.edu/dept/ldplants/1plants.htm#cladrastis

yew (*Taxus*) http://oregonstate.edu/dept/ldplants/3plants.htm#taxus

zelkova (*Zelkova serrata*) http://oregonstate.edu/dept/ldplants/3plants.htm#zelkova
