Memorial Weekend Tournament

This season we will offer a Memorial Weekend Tournament for teams that would like to play some volleyball before school gets out for the summer.

Entry fee will be $80 with a 2 game guarantee.

More info will provided during the season.

Required Registration Materials:

Team Application Form

Completed CIS Form / Criminal Background Check

All adults working with the team (coaches, asst. coaches, etc.) are required to fill out a CIS form and pass a criminal background check. The Sports Office must approve all background checks **prior** to the team starting practice.

- **Signed Coaches Code of Conduct Form**
- **All League Fees**
- **Your Team Roster** must be turned in before your first game. Rosters may be mailed or faxed.

The Spring Youth Season games will be supervised by Steve Sandvold. His contact number is 503-729-4243

All games will be played on Saturdays at the Fernwood Campus of Beverley Cleary School

- **League Play – Thursday April 12th – Saturday May 17th**
- **Schedules for the season will be posted on Wednesday April 9 at the**
- **PP&R website www.portlandparks.org under the sports tab, then volleyball tab.**

Divisions

5th - 8th Grades / Girls-Boys-Coed

Teams may combine grades (e.g. – 7/8 grade team). However, these teams must play in the grade division of the highest grade player. Teams will be accepted in all divisions. Starting this season there will be no limit on the number of boys playing on a team. Any team with boys will be considered a coed team and will compete with other coed teams. The skill level from fall will determine the placement of teams. These divisions **might** have to be combined if not enough teams are registered for a separate league of their own. We might have to integrate grade levels based on the team skill of play (ex. Strong 7th grade team may play at 8th grade level).

Uniforms

Teams must provide their own uniforms. Uniforms must consist of matching (or very similar) colored shirts with a number on the back of the shirt. Call us if you are having trouble getting these.

Coaches, help us to run the games more efficiently by:

Identifying your lines person and score keeper prior to the start of your game. Ask your lines person and adult scorekeeper to check in with the referee 5 minutes prior to the start of your match. Have your line-up sheet ready to turn in to the referee during the pre-game meeting.
