Welcome to Beaumont SCS

To ensure your child has a GREAT summer experience, please take a moment to read the following information:

•If you are registering your child for both morning and afternoon activities, there will be a Summer Recess between 12pm and 1pm to allow participants to eat lunch. Quiet games will be provided in the cafeteria during this time. Only participants signed up for morning and afternoon activities will stay during this time. Please sign up for Summer Recess on the first day your child participates in activities.

•Perishable meals/snacks must be sent with your child in an insulated container. We do not have refrigeration & want to ensure meals remain healthy.

•Please be sure to send your child dressed in clothing and footwear appropriate for the activity they will be attending. **No open-toed or open-back shoes. (ex. "clogs", "mules", "slides", "flip-flops", etc.)**

•Summer days get very warm. If your child is participating in active programs, send them with water, not sugary drinks. It is important they stay well hydrated.

•Programs end at 4pm each day. Please be prompt picking up your child. Due to the need to have everyone picked up by the time the building closes, continued late pick-ups will result in your child being unable to participate in afternoon activities.

WORLD FORESTRY CENTER

World Forestry Center Returns

for another 'Mini Camp'

Wednesday & Thursday August 6 & 7

Registration, for this years campers only, for more information

Love to Learn

Remember, PP&R SUN Community Schools have Love-to-Learn camps in our summer programming. A Love-to-Learn camp goes beyond the general overall hidden learning components. It has learning objectives and a written curriculum developed to age appropriate standards. The fun ties into the learning, rather than the learning tying into the fun. Love-to-Learn camps are identified by an apple in the course title. Search for the apple when choosing your summer camps and put an end to the summer brain drain!

HEAT BALL HANDLING CAMP

Beaumont SUN Community School and the Southeast Portland Girls Basketball Club are hosting a 4 day camp with the nationally renowned QUICKHANDLE basketball organization for 3rd thru High School age boys and girls. The camp focuses on ball handling, moves off the dribble, footwork, attacking the hoop, and shooting off the dribble. Take your skills to the next level. An extraordinary camp that challenges your son or daughter both mentally and physically. The camp runs from July 14 thru July 17 from 9AM to 3PM daily. Cost $160 per participant. FOR ADDITIONAL INFORMATION AND REGISTRATION CONTACT Steve Cooper at scooper@wffsp.com or call 503-887-2928.

Location: Beaumont Middle School 4043 NE Fremont, Portland, Oregon
Date: Monday-Thursday, July 14 - 17, 2014
Time: 9:00am-3:00pm
Cost: $160.00* **Participants:** Boys and Girls, 3th–12th Grade
Instructor: Coach Tyler Mendezona

What do QH camps offer?

Quick Handle began in 1994 with the first book written by Coach Mendo, "Quick Handle: Single Handed Ball Control." For the past 19 years, Coach Mendezona has conducted what many consider one of the best ball handling and moves off the dribble camp around. The Quick Handle camps have been very successful and well attended all along the west coast, Midwest and particularly in the Northwest. Quick Handle also offers academies, clinics and AAU teams.

www.quickhandle.com

Heat Ball-handling Camp

The basis and foundation of the entire Quick Handle™ program is found in our intense and challenging Heat Camps. Quick Handle™ will instruct in the areas of advanced ball handling drills and moves off the dribble. These camps are formatted to increase skill development, discipline and mental toughness. The full day sessions will test stamina and increase physical condition, quickness, and confidence in a tough-as-nails camp. Unique drills and 1-on-1 competitions along with 3-on-3 team play will test the skill level and determination of each athlete.

Our Reputation

Our camps are on the cutting edge of teaching and training in the 21st century. It is imperative that young people are encouraged to attend camps and begin to hone a foundation of excellence in skill development designed to take their game to another level.
