BICYCLE PARKING CORRAL COUNT FORM 2010

The City of Portland wants to understand how the bicycle corral works now and how demand may change in the future. To do this we are asking you to provide three things:

- Thank you for your help in this effort! -

1) BIKE CORRAL COUNT:

On the following page indicate how many bikes are currently parked in the corral and include details regarding the time, date, weather and other information you feel is relevant.

Please conduct your count on the same day of the week and at approx the same time during each of the 6 counts. If you have any questions please call Sarah Figliozzi at 503-823-0805.

2) PHOTO OF THE BIKE CORRAL

Do you have access to a digital camera? If so, please take a photo of the bike corral from the viewpoint of the street looking toward the business shop fronts so that the full corral is visible.

Ideal photos will show the corral during peak demand, have good natural lighting, and show the context of the adjacent businesses and streetscape. If possible, we would like a new photo each time you do a corral count.

Please email photos, with the location, date, and time of day to Sarah Figliozzi at: sarah.figliozzi@portlandoregon.gov

3) DIAGRAM: OTHER BIKES PARKED IN THE VICINITY?

Please indicate on the diagram on the following page approximately where other bicycles (outside of the corral) are parked and where any additional bike racks are situated.

Directions: If this diagram does not match your corral please modify or redraw on a separate piece of paper.

- *Label the streets on the diagram and circle the north arrow.*
- *Use a ' – ' to identify the location of any bike racks (outside of the corral) within a 50 FT radius of the bicycle corral (or approx the length of 3-4 parked cars)*
- *Use an '**x**' to identify the location of all parked bicycles, outside of the corral*
- *Tell us if auto parking demand appears to be low, med, or high.*

A 50 feet around the corral is approximately the area identified by the circle

Please return to:
City of Portland, Bureau of Transportation, Attn: Sarah Figliozzi
1120 SW 5th Ave, Suite 800, Portland, OR 97204
Or by Fax: (503) 823-7609 or Email: sarah.figliozzi@portlandoregon.gov

BICYCLE PARKING CORRAL COUNT FORM 2010

FOR STAFF USE:
CORRAL ID # _____
CAP _____
COUNT _____

Corral location:_____ Your name:_____

1) BIKE CORRAL COUNT: Please conduct count on the same day of week and at approximately the same time during each of the 6 months.

No. of bikes parked in corral:_____ Date:_____ Time:_____

Day of week: _____
