Safe Routes to School

Program Overview

Equity

Services throughout the City - Maps and Resources in 6 languages - Trainings in Spanish - Targeted outreach to diverse communities

Education

Bicycle and Pedestrian Safety at 40 schools across the City

Encouragement

Principal Armendariz, Police Captain Wyatt, and Mayor Adams celebrate W+B to School Day at Atkinson Elementary

Students participate in Walk + Bike Challenge Month at Prescott Elementary

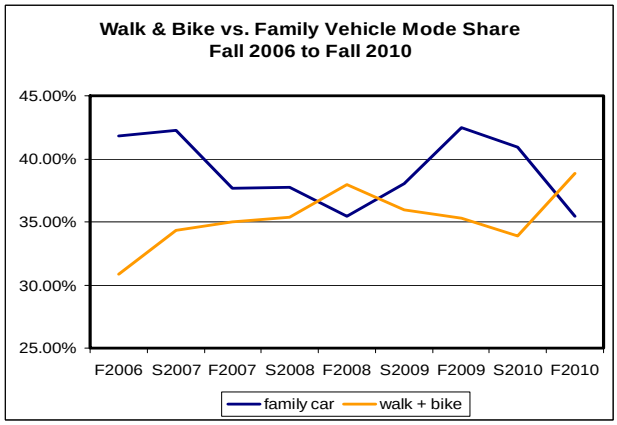
Enforcement

Officer Tallman helps students identify safe walking and biking routes from their homes to school.

Engineering

Pedestrian safety improvements on NE 102nd Ave at NE Wygant include a refuge island, marked crosswalk and signs.

Evaluation



Data from parents surveys administered every fall and spring. Note that some of the variation is due to new schools being added to the program every year.
