Outdoor Rebate Eligibility Requirements

- The applicant must have a current Portland Water Bureau water account in good standing.
- Rebates are for retrofits and new construction.
- Rebates apply to in-ground irrigation systems with automatic controllers.
- Backflow assembly testing must be up to date.
- Rebates are available to all customer classes.
- The application must be received within 90 days of purchase date.
- Rebate applications must include a copy of a sales receipt from a retailer or supply company that shows the purchase date, purchase price, manufacturer, and model information.
- The total rebate will not exceed the receipt amounts.
- Rebate recipients will have water use monitored following installation in order to determine water savings resulting from the new equipment
- Only qualifying irrigation hardware is eligible for the rebate. Review the list of qualified hardware on our website: **www.portlandoregon.gov/water/rebate**.
- There is a $3,000 rebate limit per entity per fiscal year.

Follow These Steps to Obtain Your Rebate:

1. **Purchase qualifying hardware**. A list of qualifying devices and FAQ about efficient irrigation can be found at **www.portlandoregon.gov/water/rebate**. Be sure to keep all receipts.
2. **Complete upgrades**. Irrigation hardware must be installed at the property associated with the Portland Water Bureau account. Random inspections will occur.
3. **Complete, sign, and submit the Outdoor Irrigation Rebate Form** (see reverse). Submit with the equipment sales receipts or invoice.

Mail to: Portland Water Bureau, Outdoor Irrigation Rebate, 1120 SW 5th Ave., Room 600, Portland, OR 97204
