Stormwater Professional Referral List

The City of Portland sponsors workshops for planning, design, construction, and maintenance professionals on a variety of stormwater topics. The professionals on this list have attended one or more workshops within the last two years. The City of Portland makes no guarantee as to professional standing or quality of work. As with any contracted work, check references, license and bond status, and professional certifications where applicable.

Contact the appropriate licensing body to check on license status, history and any claims filed against licensed contractors:
