## Proposal:

The 7,200 sq. ft. subject site has two historic lots (3 and 4) located on it. The existing home (7521 SE Schiller St.) is located on historic lot 4 (shown as Tract 1 on the attached site plan). The applicant has indicated that they are going to apply for a Lot Confirmation/Property Line Adjustment to re-establish historic lot 3 (shown as Tract 2 on the attached site plan) on the site. If approved, it would result in a developable lot with frontage along SE Schiller St.

Based on the proposed Lot Confirmation/Property Line Adjustment, the existing house would need to reduce its side (west) setback. The applicant has applied for an adjustment from Zoning Code section 33.110.220.B (Table 110-3) which requires a 5 foot side setback. The existing house on the site would be located 2.87 feet from the new property line along its western façade, and 1.06 feet from the adjacent property line along a bump out along the homes northwestern façade.

### 33.805.040 Approval Criteria

Adjustment requests will be approved if the review body finds that the applicant has shown that approval criteria A. through F. below have been met.

- **A.** Granting the adjustment will equally or better meet the <u>purpose</u> of the regulation to be modified; and
- **B.** If in a residential zone, the proposal will not significantly detract from the livability or appearance of the residential area, or if in an OS, C, E, or I zone, the proposal will be consistent with the classifications of the adjacent streets and the desired character of the area; and
- **C.** If more than one adjustment is being requested, the cumulative effect of the adjustments results in a project which is still consistent with the overall purpose of the zone; and *(not applicable)*
- **D.** City-designated scenic resources and historic resources are preserved; (not applicable)
- E. Any impacts resulting from the adjustment are mitigated to the extent practical; and
- **F.** If in an environmental zone, the proposal has as few significant detrimental environmental impacts on the resource and resource values as is practicable; (not applicable)

Zoning Code Section 33.700.080 states that Land Use Review applications are reviewed under the regulations in effect at the time the application was submitted, provided that the application is complete at the time of submittal, or complete within 180 days. This application was submitted on January 24, 2013 and determined to be complete on February 19, 2013.

#### **DECISION MAKING PROCESS**

The Bureau of Development Services will make a decision on this proposal. We will consider your comments, and

ORS 227.178 states the City must issue a final decision on Land Use Review applications within 120-days of the application being deemed complete. The 120-day review period may be extended at the request of the applicant.

The file and all evidence on this case are available for your review by appointment only. #### **APPEAL PROCESS**

If you disagree with the Bureau of Development Services administrative decision, you can appeal the decision to the Adjustment Committee. This review body will hold a public hearing for the appeal. When the decision is mailed, the criteria used to make the decision and information on how to file an appeal will be included. If you do not send any comments, you can still appeal the decision. There is a 14-day deadline to file an appeal beginning on the day the decision is mailed. The reason for the appeal must be specifically defined in order for the review body to respond to the appeal. If an appeal is filed, you will be notified of the time and location of the appeal hearing.

There is a fee charged for appeals. Recognized neighborhood associations may qualify for an appeal fee waiver.

### APPEAL OF THE FINAL CITY DECISION

After an appeal hearing, the review body decision may be appealed to the Oregon Land Use Board of Appeals (LUBA) at 550 Capitol St. NE, Suite 235, Salem, OR 97301. The phone number for LUBA is 1-503-373-1265. Issues that may provide the basis for an appeal to LUBA must be raised prior to the comment deadline or prior to the conclusion of the hearing if a local appeal is requested. If you do not raise an issue with enough specificity to give the Bureau of Development Services an opportunity to respond to it, that may also preclude an appeal to LUBA on that issue.

The Bureau of Development Services is committed to providing equal access to information and hearings. Please notify us no less than five business days prior to the event if you need special accommodations. Call 503-823-7300 (TTY 503-823-6868).
