### Proposal:

The applicant is requesting to partition the subject property into two parcels in conformance with the alternative development option of attached houses on corners (33.110.240.E). The proposed parcels are equally sized at approximately 1,886 square feet. The site is void of any existing improvements or trees. Stormwater management is proposed via individual infiltration facilities. Sanitary sewer and water service is available in both SE 12<sup>th</sup> Avenue and SE Cora Street.

This partition is reviewed through a Type Ix land use review because: (1) the site is in a residential zone; (2) fewer than four lots are proposed; (3) none of the lots, utilities, or services are proposed within a Potential Landslide Hazard or Flood Hazard Area, and; (4) no other concurrent land use reviews (such as an Adjustment, Design Review, or Environmental Review) are requested or required (see 33.660.110).

For purposes of State Law, this land division is considered a partition. To partition land is to divide an area or tract of land into two or three parcels within a calendar year (See ORS 92.010). ORS 92.010 defines "parcel" as a single unit of land created by a partition of land. The applicant's proposal is to create 2 units of land. Therefore this land division is considered a partition.

Relevant Approval Criteria: In order to be approved, this proposal must comply with the approval criteria of *Title 33*. The relevant criteria are found in Section 33.660.120, Approval Criteria for Land Divisions in Open Space and Residential Zones.

Zoning Code Section 33.700.080 states that Land Use Review applications are reviewed under the regulations in effect at the time the application was submitted, provided that the application is complete at the time of submittal, or complete within 180 days. This application was submitted on May 30, 2013 and determined to be complete on July 2, 2013.

#### APPEAL PROCESS

The phone number for LUBA is 1-503-373-1265. Issues which may provide the basis for an appeal to LUBA must be raised in writing before the deadline for comments, or you may not be able to raise that issue in an appeal. If you do not raise an issue with enough specificity to give the Bureau of Development Services an opportunity to respond to it, that also may preclude an appeal to LUBA on that issue.

The Bureau of Development Services is committed to providing equal access to information and hearings. Please notify us no less than five business days prior to the event if you need special accommodations. Call 503-823-7300 (TTY 503-823-6868).
