Protect Your Investment

Late fall through early spring is prime tree planting season.
Plant your tree correctly and give it proper care and maintenance. Newly planted trees require deep weekly watering (~10 gal) during the dry summer season from June through September.

Submit a treebate request form with your proof of purchase to:

Environmental Services Treebate Program 1120 SW 5th Avenue, Room 1000 Portland, Oregon 97204

Program and Planting Information

TREEBATE

Plant a tree
for clean rivers

and
get a rebate

Every tree planted in Portland contributes to clean rivers and healthy watersheds. So, if you plant a tree on a residential property, Environmental Services will credit your city water/sewer ulility bill for half the purchase price up to \$50, depending on mature tree size for potential stormwater management.

Plant a tree for clean rivers - and get a rebate

How to Get Your Treebate

- Purchase a tree.*
- 2 Plant it in your Portland residential yard.
- Complete and submit the attached form by April 30, 2013. Include the tree purchase receipt with the tree purchase price circled.
- Receive a credit on your city water/sewer utility bill.
- * Generally, most tree species are eligible for a Treebate; see the eligible list for conditions and ineligible list for exclusions.

The larger the tree, the more stormwater it can manage.

Treehate Credit Amount

- ✓ 50% of purchase price up to \$15 (small), \$25 (medium), or \$50 (large) depending on mature tree size (i.e., stormwater management potential)
- ✓ City staff will determine the credit amount for you based on mature tree size
- ✓ Visit www.portlandonline.com/bes/treebate for tree lists and credit calculation method

for trunk diameter measure the width at 6 inches above the soil line using a straight ruler or the 3 inch rule below

Eligible Trees (meet ALL of these)

- 1 Trees planted in Portland residential yards
- Trees with trunks measuring at least 1 inch in diameter 6 inches above the soil line that are at least 6 feet tall if broadleaf or 4 feet tall if coniferous (needle) at time of planting
- Trees planted with enough space to reach full canopy spread
- Trees purchased, planted and submitted between September 1, 2012 and April 30, 2013

Ineligible Trees (are ANY of these)

- ✓ Trees planted in the street right-of-way or any other non-residential location
- ✓ Trees less than 15 feet tall at maturity
- ✓ Trees not meeting planting size requirements
- ✓ Trees otherwise subsidized by the city (e.g., planted with Friends of Trees)
- ✓ Trees planted to satisfy a condition of development or mitigation
- ✓ Arborescent shrubs (e.g., lilac); small, ornamental conifers (e.g., topiary plants); and hedges (e.g., arborvitae)
- ✓ Trees on the City Nuisance Plant List (includes all cultivars and varieties):

Norway maple
 Cutleaf birch
 English holly

Acer platanoides
Betula pendula
Ilex aquifolium

○ Golden chain tree Laburnum watereri○ English hawthorn Crataegus monogyna

Sweet cherry Prunus avium

⊗ Black locust Robinia pseudoacacia⊗ European mountain ash Sorbus aucuparia
