Tryon Creek Wastewater Treatment Plant Facilities Plan Update

Can you think of other goals or guiding principles that should be added or changed? If so, please explain why.

Are there stated goals and guiding principles that should be omitted? Tell us why they should not be considered.

Please offer any other feedback on the plan's vision, goals, and guiding principles here.

Some of the stated goals may be more important to you than others. If you could assign 100 points between the goals to indicate their relative importance, how would you distribute the points?

Protect public health*..... _____ pts.

Practice environmental stewardship..... _____ pts.

Be a good neighbor..... _____ pts.

Provide value to ratepayers..... _____ pts.

Achieve outstanding plant performance..... _____ pts.

_____ = 100 pts.

Please provide any suggestions that you think would be beneficial to the Citizens Advisory Committee.

Thank you very much for your time. Your feedback will help the CAC frame the final recommendation to the Oversight Committee.

Please be aware that the Oversight Committee will make the final decision on the Tryon Creek Wastewater Treatment Plant Facility Plan.

The final decision will go the Lake Oswego City Council and City of Portland City Council.
