

CLASS SPECIFICATION
Maintenance Group Manager

FLSA Status: Exempt
Union Representation: Nonrepresented

GENERAL PURPOSE

Under general direction, plans, organizes, integrates and directs the organization, financial management, administration, personnel and operations of the Office of Transportation's Maintenance Group; In coordination with the Transportation Director, directs the external affairs of the Maintenance Group with City officials, other bureaus, other government agencies and the public; and performs related duties as assigned.

DISTINGUISHING CHARACTERISTICS

The Maintenance Group is responsible for the development, construction, maintenance and repair of the City's transportation, wastewater, and storm water collection systems, and related public works infra-structures. The two positions in this class split responsibilities, as determined by the Transportation Director, for planning, managing, directing and integrating programs, personnel and operations of the Maintenance Group. Incumbents report to the Transportation Director and participate as members of the Office of Transportation's executive management team. Responsibilities are broad in scope, allow for a high degree of program and administrative discretion, and are evaluated in terms of overall program and cost effectiveness. The work of this class is performed within policy direction established by the City Council and the Transportation Director.

ESSENTIAL DUTIES AND RESPONSIBILITIES

Any one position in this class may not perform all the duties listed below, nor do the listed examples of duties include all similar and related duties that may be assigned to this class.

1. Plans, organizes, controls, integrates and evaluates the work of assigned functions of the Maintenance Group; with subordinate managers, develops, implements and monitors work plans to achieve bureau mission, goals and performance measures; directs the development of and monitors performance against the group budget; manages and directs the development, implementation and evaluation of work programs, plans, processes, systems and procedures to achieve goals, objectives and performance measures consistent with the City's quality and citizen service expectations.
