

Your Retirement Plan Account Can Now Go Where You Go

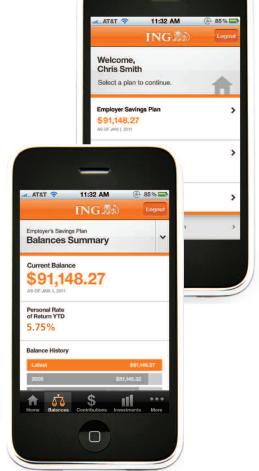

Considering the rapid pace of technology – and life in general – you should be able to manage your retirement plan account wherever you go, at your convenience.

That's why ING is introducing a new mobile account application for owners of iPhone®, iPod Touch®, and Android™ devices. The ING Retirement Plan Account mobile application will allow you to quickly check your retirement balance and more.*

After downloading the app onto your mobile device – and based on the plan you participate in through your employer – here are some of the account details you'll be able to view on the go:

- Current balances
- Balance history
- Balances by asset class and fund
- Personal rate of return
- Fund performance
- Contribution history

From your smartphone, visit mobile.ingplans.com for more information about the app – or download it directly from the iTunes App Store or through the Android Market.

^{*}For security purposes, you must sign in to your online account at least once after the introduction of ING's new mobile app.

ALSO AVAILABLE "TO GO"...

To help you manage your account, this new application also allows you to conduct certain transactions. Depending on your plan and plan rules, you may be able to:

11:32 AM

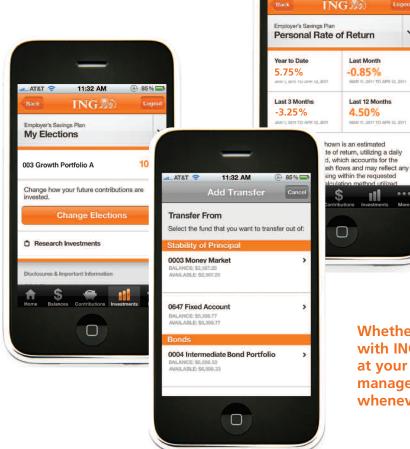

Last Month

-0.85%

Last 12 Months

4.50%

- Change your contributions
- Transfer money among funds
- Reallocate your account balance
- Change how future contributions will be invested

Whether you're on the go a little or a lot, with ING's mobile account app literally at your fingertips, you can view and manage your retirement plan account whenever and wherever you want.

Learn more about your app...in a snap. To do so, you'll need the Microsoft® Tag Reader, which you can download from your app store or from your mobile browser at www.gettag.mobi. You can then scan the tag with your mobile device.

For more information on the Microsoft Tag application and the mobile devices it supports, visit http://tag.microsoft.com. By downloading the application, you accept all Microsoft Tag terms. Access will depend upon your provider and phone. Your provider contract and data rates will apply.
