

Hood/Duct Cleaning Companies with Certified Personnel

Certified by the Portland Fire Marshal's Office

Hoods, grease-removal devices, fans, ducts and other appurtenances are required to be cleaned to bare metal at intervals necessary to prevent the accumulation of grease or oily sludge. We require the cleaning to be performed by an individual certified by the Fire Marshal's Office. COMPANIES ARE NOT CERTIFIED! The following companies employ individuals certified for cleaning. Your contract for services should specify that the work be done by an individual with a valid Certificate of Fitness for Hood Cleaning. The following list is subject to daily changes. For the most current information, please contact (503) 823-3712.
