

# **Central Northeast Neighbors (CNN) Neighborhood Small Grants Program 2013**

The Office of Neighborhood Involvement and Central Northeast Neighbors are excited to offer the seventh year of the City of Portland's Neighborhood Small Grants Program. We invite Neighborhood Associations and community-based organizations in the Central Northeast Neighbors (CNN) area to apply.

**Our goal is to provide neighborhood and community organizations the opportunity to build community, attract new and diverse members and sustain those already involved. We encourage applicants to accomplish this through building partnerships between neighborhood, business, and community-based organizations. Engagement of historically under-engaged communities is a high priority for this grant program.**

We look forward to working with organizations that share our goal of building livable, equitable, and sustainable neighborhoods and communities for all.

During the first six years of this grant program, \$1,025,553 was awarded to support 536 community projects. The average grant award was \$1,861. Neighborhood-based organizations led 257 (48%) of the projects, and under-engaged community organizations led 168 (37%) of the projects. We define under-engaged organizations as those primarily led by and/or serving people of color, immigrants and refugees, low-income individuals and families, schools and youth, people with disabilities, and lesbian, gay, bi, transgendered people.

Thanks to the leadership of City Commissioner Amanda Fritz, the advocacy of the ONI Bureau Advisory Committee, and the support of City Council for funding this critical resource for community-building purposes in Portland neighborhoods.

Sincerely,

Bob Ueland, Board Chair  
Central Northeast Neighbors, Inc.
