# CMC Inc. Annual Fund Drive

The **Community Music Center (CMC)** is a program of Portland Parks & Recreation in partnership with the non-profit Community Music Center, Inc. For 60 years the Center has achieved its goal of full access to high quality musical activities, especially for those who otherwise do not have the means to afford them.

Funds raised by the non-profit (CMC, Inc.) allow the Center to offer affordable music classes and lessons, free and low-cost concerts and workshops, low-cost instrument rentals, and other music-related resources. Last year CMC Inc. provided over \$100,000 in program subsidies, helping youth and families in need.

## Making a Difference

Parents say that students at CMC show more **self-confidence**, better **listening** skills, increased **attention** spans, **academic improvement**, and greater **participation** in the community.

## You Can Help

Oregon residents: please donate to CMC Inc. today. We suggest these levels; any amount is welcome and gratefully received.

- \$100** music skills class for a child (includes ear training, rhythm training, note-reading, history, theory, and more)
- \$250** one term of beginning private lessons
- \$500** average yearly scholarship per CMC student
- \$1000** a new instrument to loan to a student in need

*Photo: Lupita sharing her knowledge with a PP&R SNAP camp participant last Summer.*

**Guadalupe (Lupita) Zamora Resendiz** benefitted from three years of piano classes & five years of violin lessons as a scholarship student at CMC. She joined the National Honor Society in high school, and is now a Music Education Major at the University of Portland and an intern instructor at CMC.

*“CMC made it possible for me to study music at a more personal and deeper level not available to me otherwise. I was able to take many music classes at once and that helped develop my musical abilities immensely.”*

*- Lupita Zamora Resendiz*

## Our Mission

Donate to our Annual Fund Drive, supporting need-based scholarships for music education.

### A Message from CMC Inc.

December, 2014

Dear Community Music Center Family & Friends,

We rely on donations from individuals for a large part of our program, donations that provide need-based scholarship assistance to music students at the Center, low-cost instruments, a venue for accessible concerts, and more. Please look at our annual fund drive brochure and give at your highest comfortable level.

To commemorate the 60th Anniversary, we have some exciting things in store:

First, we are publishing a book about the Community Music Center and its history, due out this spring. If you are in the CMC community, including as an alum, former teacher, or past board member, we welcome submissions of photos, stories, and testimonials for the document. Send them c/o CMC Director, 3350 SE Francis Street, Portland, OR 97202, or email to [cmc@portlandoregon.gov](mailto:cmc@portlandoregon.gov).

Secondly, we are planning a big performance festival in June of 2015, featuring current and former students & faculty. Save the date of Sunday, June 7th, 2015, and stay tuned for more details. Let us know if you'd like to be involved.

We are excited to be celebrating sixty years of music education at the Community Music Center, resulting in more harmony in the lives of tens of thousands of people in our community. As we launch into our seventh decade of delivering affordable lessons, classes and concerts for all ages, we give thanks for the all the donors and volunteers who have made this possible.

Have a musical holiday season!

Sincerely,

Gregory Dubay,  
Executive Director

  
Kathy Schroeder,  
CMC Inc. Board President
