TO: All Members

RE: DIR 1020.00 Firearms

ACTION: Remove one section on Duty Sidearms.

In the 2009 Manual of Police and Procedure, on page 540, under section titled Duty Sidearms, this entire section should be removed. The correct procedure description for Duty Sidearms is included on page 535 of this directive. See below for correct description:

# **Duty Sidearms (1020.00)**

- a. The standard trigger pull weight of the Glock semi-auto pistol will not be modified by the use of non-Glock parts of target type 31/2-pound connectors.
- b. Non-factory sights, such as high visibility or night-sights, are authorized at the member's expense. Lasers are not authorized.
- c. Slip-on or adhesive-type grips that are of a non-permanent nature are authorized at the member's expense.
- d. Members may have the following Glock factory parts installed by a CFI, extended slide stop lever, extended magazine release, and a +2 magazine floor plate. Only Glock factory parts will be used in the sidearm. The slide, frame or internal parts of the sidearm will not be modified in any way, except in the course of repair.
- g. All Glock sidearms carried on duty will be black in color.
