#### **Second Annual Portland Police Bureau Youth Summer Camp**

Invites kids ages 8-14 to attend its **Second Annual Portland Police Bureau Youth Summer Camp**. Local police officers and high school and college coaches from the surrounding area will work together to make the camp a unique experience for youth. Officers and coaches will work with campers to develop specific skills and foster good sportsmanship.

## **Eligibility**

Boys and girls, ages 8-14, who live in the Multnomah, Washington, Clackamas and Clark County areas who believe in good sportsmanship and want to improve their sports and social skills are eligible for Camp.

Portland Police Bureau is dedicated to ensuring that youth from throughout the metropolitan area are able to attend camp. To ensure equal access for youth throughout the area, local school districts receive applications on the same day. Camp is filled on a first come, first serve basis. Payment must be received before placement can occur. Space is limited to 500 campers.

A minimum of 51% of youth must qualify for free or reduced lunch program, however all youth will receive lunch at camp. The United States Department of Agriculture (USDA) and the State of Oregon prohibit discrimination in all USDA programs and activities on the basis of race, color, national origin, sex, religion, age or disability. USDA and the State of Oregon are equal opportunity providers and employers.

# **Special Thanks**

This camp was made possible through the collaborative efforts of the Portland Police Bureau and the Camp Rosenbaum Fund. Their shared commitment to serve the children in the community continues to strengthen the partnership between Camp Rosenbaum and the Portland Police Bureau. The Portland Police Bureau would like to thank our partner agencies for their participation: Centennial School District, Portland Fire and Rescue, ZMan Scholarship Foundation, Office of Youth Violence Prevention, Oregon National Guard, Multnomah County Sheriff's Office, American Medical Response and all other area school districts and community volunteers.
