INSTRUCTIONS FOR PARTNERSHIP, LP, LLC, LLP, JOINT VENTURE OR TENANTS IN COMMON/ENTIRETY RETURN - 2008

Note: Please enter your business code below your FEIN. You may find this code in Section C of page 1 of federal Form 1065.

1. Ordinary income is income before distribution to partners, on federal Form 1065, line 22. If a joint venture or tenants-in-common elect to not file as partnership, please combine individual net incomes from the joint venture or rental activities on line 1.
2. Add back Multnomah County and City of Portland business income/license tax and other taxes measured by net income deducted to arrive at net income (line 1).
3. Add (subtract) Schedule K lines 2-3 and 5-13. Also add (subtract) any Oregon modifications related to business and other pass-through income (loss) by entities already licensed/taxed by Portland/Multnomah County.
4. Add all compensation (guaranteed payments, interest, wages and salary) paid to partners. Enter number of general partners and limited partners paid compensation and/or interest. **Members of LLCs shall be deemed general or limited partners by Bureau written policy (available by contacting the Audit Section of the Revenue Bureau).**
6. A deduction of up to 75% of the total income (line 5) is allowed for general partnerships but cannot exceed \$84,000 per general partner listed on line 4. General partners who are owners of capital in a limited partnership are allowed this deduction regardless of direct compensation paid. However, deductions for limited partners cannot exceed limited partner compensation included on line 4. No deduction is allowed if line 5 is a loss.

Apportionment (line 8 and line 18) **Multiple factor apportionment methods are not allowed.**

Gross income includes all income (gross receipts, service income, interest, dividends, income from contractual agreements, gross rents and gains on sale of business property) from activity within the City or County. With few exceptions, income in the City is also in Multnomah County. Income may be apportioned only if there is regular business activity outside the City/County. Services performed outside the City/County may be apportioned based upon percentage of performance outside the applicable jurisdiction. Sales of tangible personal property may be apportioned only if a business has payroll or property outside the jurisdiction.

8. County gross income includes income from all activity within the County (see apportionment instructions above). Divide to determine the percentage of Subject Net Income to apportion to Multnomah County. Round apportionment percentages to six places (xx.xxxx% or .xxxxxx).
10. Net Operating Losses (as previously reported on line 9 of prior combined returns) are allowed a maximum carryforward of five (5) years. The annual deduction cannot exceed 75% of the apportioned income for the current year.

14. Enter all late and/or underpayment penalties that apply (see penalty calculation instructions below).
15. Interest on taxes not paid by the original due date (April 15 for calendar year taxpayers) is calculated at 10% per annum (.00833 x no. of months). Calculate interest from original due date to the 15th day of the month following the date of payment.

17. Overpayments may be refunded, credited forward or transferred between programs.

Penalty calculation (line 14 and line 24)

A penalty of 10% (5% late penalty plus 5% underpayment penalty) of the tax must be added if the report and tax are filed and paid past the due date. An additional penalty of 20% of the tax must be added if the report and tax is more than four months past due. Any report and tax which is delinquent three or more consecutive years accrues an additional 100% of the tax as penalty. No late penalty is due if a timely extension is filed with the Bureau and a return is filed by the extended due date. No underpayment penalty is due if a timely prepayment is made which is at least 90% of the total tax on line 12 (County) and at least 90% of the tax on line 22 (City), or 100% of the prior year's tax.
