Apportionment (line 8 and line 18) Multiple factor apportionment methods are not allowed.

Gross income includes all income (gross receipts, service income, interest, dividends, income from contractual agreements, gross rentals and gains on sale of business property) from activity within the City or County. With few exceptions, income in the City is also in Multnomah County. Income may be apportioned only if there is regular business activity outside the City/County. No underpayment penalty is due if a timely prepayment is made which is at least 90% of the total tax on line 12 (County) and at least 90% of the fee on line 22 (City), or 100% of the prior year's tax or fee.
