

Heritage Trees of Portland

ZELKOVA (*Zelkova serrata*) ULMACEAE

- Native to Japan.
- Height seldom exceeds 100'.
- Leaves bright green, edges scalloped, 5" long, rough top surface.
- Flowers and fruits inconspicuous.
- Bark on mature trees nicely mottled and flaky.
- Fall color from yellow to rusty-red.
- Somewhat common in Portland, sometimes used to replace elms lost to disease or instead of elms.

192 Zelkova (*Zelkova serrata*)

4066 SE Oak Ct*

H 60, S 69, C 10.8
