AGENDA

<i>Introductions/Announcements</i>	<i>6:00</i>
<i>Oregon Household Activity Survey Data Analysis</i> Roger Geller will present a white paper analyzing data from the 2011 Oregon Household Activity Survey (OHAS). The analysis is intended to answer two questions: 1) What have been the trends in transportation behavior for Portland residents 1994–2011, and 2) What does Portland need to do to achieve its policy goals related to transportation in general and bicycle transportation specifically?	<i>6:10</i>
<i>City of Portland Comprehensive Plan update</i> Courtney Duke with the Portland Bureau of Transportation (PBOT) will present the public working draft of the city's Comprehensive Plan. PBOT and the Bureau of Planning and Sustainability are seeking input from the BAC of this working draft and wish to inform members of the process for adoption and upcoming deadlines and how to formally comment. They will be discussing policy shifts from the existing Comprehensive Plan and how they might affect the Transportation System Plan.	<i>7:10</i>
<i>Adjourn</i>	<i>8:00</i>
