City of Portland Core Values:

Anti-Racism | Equity | Transparency | Communication | Collaboration | Fiscal Responsibility

These values, competencies, and associated behaviors guide our actions as we engage our workforce and serve the community. They should serve as facets of everything we do and every decision we make in the City.

* Click here for link to plain text version.
* Hover over Competencies to display associated behaviors (in IE or Edge).
* Click on any of the Core Values to launch overview document with greater detail.
