

# Calling all Veterans!

The VET affinity group for City of Portland employees invites your participation in a Veterans Profile display in the City Hall Atrium and Portland Building for November 2016.

To increase the visibility of city employees who have served in the United States Armed Forces, United States Coast Guard, National Guard, and Reserves, the Veterans Empowerment Team (VET) has reserved the atrium of the City Hall and lobby in the Portland Building for parts of November to display your profiles on 12 x 12 scrapbook sheets.

Let's have some good representation!

Information to include for the profile:

- ➡ Name
- ➡ Bureau
- ➡ Branch of Service
- ➡ Dates of Service
- ➡ Last Rank achieved
- ➡ Duty Stations (or highlights if the list is really long)
- ➡ Favorite Memory from your time in service.
- ➡ A service era photograph is also requested.

The service themed scrapbook page will be provided.

Please contact Nicholas Carroll in Office of Neighborhood Involvement – Noise Control 503-823-7350, [nicholas.carroll@portlandoregon.gov](mailto:nicholas.carroll@portlandoregon.gov) for more information.

When contacting him, indicate branch of service so he can send you photographs of the appropriate military branch to choose from.

The photo below is an example of how the profile can look:

Veteran's Empowerment Team (VET) is an approved affiliation of Diverse and Empowered Employees of Portland
