Liability Insurance Requirements

503-823-1987

pwp@portlandoregon.gov

Your project is required to have a certificate of liability insurance with an endorsement on file with Public Works Permitting for the duration of your public works permit work. The certificate and endorsement must meet the requirements detailed in this document. The certificate and endorsement must be on file and approved prior to issuance of your permit(s), must be replaced prior to expiring, and must remain in effect for the duration of the permit work. A lapse in coverage or failure to renew coverage can result in the stopping of permit work or revocation of your permit(s).

This document should be provided directly to your insurance agent to aid them in issuing a certificate of liability insurance and endorsement that complies with the City of Portland's insurance requirements for public works permits.
