

Calling all Veterans!

The VET affinity group for City of Portland employees invites your participation in a Veterans Profile display in the City Hall Atrium for November 2017.

Last year, the Veterans Empowerment Team (VET) sponsored a Veterans Profile display in the atrium in City Hall to increase the visibility of city employees who have served in the United States Armed Forces, United States Coast Guard, National Guard, and Reserves. Due to positive feedback and expressed interest in continuing this for 2017, VET once again asks for your participation. The profiles are on 12 x 12 scrapbook sheets.

Let's have some good representation!

Information to include for the profile:

- Name
- Bureau
- Branch of Service
- Dates of Service
- Last Rank achieved
- Duty Stations (or highlights if the list is really long)
- Favorite Memory from your time in service.
- A service era photograph is also requested.

The service themed scrapbook page will be provided.

Please contact Nicholas Carroll in Office of Neighborhood Involvement – Noise Control
