

Affinity groups are voluntary, employee-driven groups that are organized around a particular shared interest or dimension. DEEP envisions that affinity groups will be organized around the protected classes set forth in non-discrimination laws such as race, disability, ethnicity, gender or sexual orientation. However, DEEP will consider approving any Affinity Group that is organized around other historical barriers to an equitable and inclusive work environment.

Each affinity group must be open to any and all employees within the City of Portland.

The Hapa Asian and Pacific Islander (HAPI) Affinity Group commits to:

- Form a professional network and provide development opportunities
- Create a supportive environment for members to exchange information and ideas and to discuss challenges to the HAPI community
- Advocate to strengthen community inclusiveness through public outreach toward policies, plans, and investments
- Collaborate with community organizations and institutions on shared goals
- Highlight contributions made by HAPI communities

The group will work with the City to advocate and educate on behalf of HAPI employees, and develop ways to attract, support, and retain HAPI employees. The HAPI Affinity Group welcomes and celebrates Hapa, Asian and Pacific Islanders, and allies who are and have been City of Portland employees regardless of their native language, religion, culture or tradition.
