

Affinity groups are mostly voluntary, employee-driven groups that are organized around a shared interest or dimension. DEEP envisions that affinity groups will be organized around the protected classes set forth in non-discrimination laws such as race, disability, ethnicity, gender or sexual orientation. However, DEEP will consider approving any Affinity

Group that is organized around other historical barriers to an equitable and inclusive work environment.

In January 2020, Affinity group members will be allotted up to one (1) hour of regularly scheduled work time monthly to attend a meeting, and Affinity Group Leaders will be allotted up to two (2) hours a month. Members can use up to twelve (12) hours of regularly scheduled work time per calendar year to host and/or plan special annual events and celebrations honoring the Affinity Groups or volunteer at a New Employee Orientation event.

Affinity Groups are open to any and all employees within the City of Portland.
