

Wonder Woman Award 2022

Alice Williams, Bureau of Housing

Alice provides great support to our small but mighty RAC team. She is meticulous and thorough in her work with processing incoming correspondence in the Asset Management (AM) inbox. She is such a team player with processing Rent Schedules and providing numerous Welcome Letters for projects that will soon be providing annual reporting. Alice worked on numerous special projects assigned to her by our previous supervisor, Stella. And indeed, she delivered superb results to countless tasks assigned to her. Additionally, she provided tremendous support to other team members that contributed to the success of the HOME TBRA rental assistance program. Alice shows her kindness and consideration to her colleagues. We are indeed very blessed to have her in our team!

Wonder Woman Award 2022

Letimya Clayton, Bureau of Housing

Letimya is a rock star! Over the course of the last two years, while 95% of our bureau were working remotely, she and her team continued to go into the office to keep the bureau operations moving. Additionally, PHB had to move from the Commonwealth building to the 1900 building. Letimya orchestrated not just one move but two, one from the Commonwealth building into the Portland Building, and then from the Portland Building into the 1900 building. She and her team have spent the last three months unpacking and organizing our new space in preparation for staff returning to the office.

Thao-oanh Doan, Bureau of Housing

Doan is indeed a team player in the truest sense of the word. She wears several hats in the RAC team: from working on the prevailing wage, to assisting with the HOME IGA, to providing support with application for the non-profit limited tax exemption, to assisting with preliminary reviews of the Annual Compliance Testing (ACTs) of several properties, and to preparing HOME expiration agreement documents, just to name a few. She is a quiet and a hardworking colleague who shows high quality work time and time again. She is kind and is a great friend to all of us in the RAC team.
