

# Wonder Woman Award 2022

## Megan Lehman, City Auditor

Megan led our multicultural holiday fundraising team a few months ago to almost \$1,000 worth of help support for a family of five. She helped us organize dozens of volunteers, a Covid-style gift sorting party, as well as personal delivery of all the items.

We all felt inspired to connect with each other and support the family because of Megan's careful responses to so many questions. Thank you for your caring leadership.
