WE ARE ALL WONDERWOMEN!

Wonder Woman Award 2022

Christina Coursey, Office of Community & Civic Life

Christina is the glue that holds our program together. Her attention to detail is amazing, her dedication to her duties is exceptional. Her support and backing of her team are unquestioned. She has been a pillar of strength for me when I have had to deal with several very difficult and emotional situations over my time working for Christina. She has always "had my back" and is the kind of leader I am proud to serve under. An exceptional leader, person, and an invaluable asset, this city absolutely needs to retain and can learn how to lead from her example.
