### Statement

Use this space for statement of reasons for demanding recall. The statement may not exceed 200 words.

Sam Adams has lied to us. He lied and then covered up his actions to get elected major. He lied repeatedly after admitting the affair and cover up with Beau Breedlove. A Mayor cannot in good faith move forward and continue city business without the trust of the people. This is about the reflection of our city's character. We have no idea how many missed opportunities our city has had with the current crippled leadership. It is time we restore integrity to the Mayor's office. Sam Adams has broken our trust. He must be recalled.
