Continues City public campaign financing for Mayoral, Commissioner, Auditor candidates. (10)

Question:

Shall Portland provide public campaign financing to City candidates who meet qualifying requirements and are subject to additional regulatory oversight? (20)

Summary:

Measure would amend City code to continue Portland's public campaign financing program that otherwise ends after November 2010 election. Under program administered by City Auditor, candidates for Mayor, Commissioner, and Auditor would continue to be eligible to seek certification to receive public funds in primary, general, or special elections by collecting a certain number of \$5.00 qualifying contributions and meeting other requirements. Public funds available to certified candidates would continue at these spending limits: \$200,000 for Mayor, \$150,000 for Commissioner and Auditor in primary elections; \$250,000 for Mayor, \$200,000 for Commissioner and Auditor in general elections. Certified candidates would continue to be eligible for limited matching funds if other candidates' contributions or expenditures exceed certain thresholds. All City candidates would continue having more frequent campaign disclosure requirements. Program costs would depend on factors including the number of certified candidates. City would continue to limit the annual impact of the program on City funds to 0.2% without raising new taxes or fees. Would continue authorization of penalties for violations. (174)
