Portland

Oregon on November 2, 2010.

Name of City or Cities

Date of Election

The following shall be the ballot title of the measure to be submitted to the city's voters:

Caption 10 words

General obligation bonds for fire vehicles and emergency response infrastructure

Question 20 words

Shall Portland issue bonds for \$72,400,000 for fire vehicles, emergency radio system, fire and emergency response facilities; require audits?

If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary 175 words

This measure would allow Portland to issue \$72,400,000 in general obligation bonds and use the proceeds to finance the acquisition of fire engines and other emergency response vehicles that are needed to maintain existing service levels and replace aging vehicles, provide funds for replacement of the City's obsolete public safety emergency radio system, finance the construction of a fire station and related facilities and finance the construction of an emergency response center. The bond proceeds would be restricted to capital construction, improvements and costs, and would not be used for day-to-day operations. Use of the bond proceeds would be audited to determine whether approved public purposes are achieved. Bonds would be exempt from city charter debt limitation. Bonds could be issued in one or more series; before issuance of bonds subsequent to the first offering, the City's Chief Administrative Officer would be required to report to Council on bond expenditures and cost savings. A five member citizen committee would be established to review the use of the bond expenditures and provide annual reports.

The following authorized city official hereby certifies the above ballot title is true and complete, which includes publication of notice and the completion of the ballot title challenge process.
