Amends Charter by deleting unenforceable obser	enity provisions
Question 20 words	
Shall unenforceable power in Charter regarding r state constitution?	regulation of obscenity be deleted to be consistent with
Summary 175 words	
Charter Section 2-105(a)(50) currently states that the City has the power to define what materials are obscene, to prohibit distribution and to punish persons who distribute such materials. Prohibiting obscenity has been foreclosed by the Oregon Supreme Court's interpretation of Article I, Section 8 of the Oregon Constitution. This measure would delete Section 2-105(a)(50) to make the Charter consistent with the Oregon Constitution. Deletion of this section of the City's specific powers would not impair the City's general powers and authority to protect and support public health and safety.	
The following authorized city official hereby certifies the above ballot title is true and complete, which includes publication of notice and the completion of the ballot title challenge process.
