## **ADDENDUM TO FORM 2.14A POLITICAL CONSULTANT INDIVIDUAL REGISTRATION REPORT**

I am not working on Mr. Novick's current campaign in either a paid or professional capacity. On September 9, 2016, I was at a dinner that included Mr. Novick and the subject of his campaign came up in conversation. I do not believe the content of that conversation constituted political consulting services as defined by the ordinance, but based on the wording of the ordinance and the associated rules and guidance from the Auditor I am not certain of it. Therefore, I am registering in an abundance of caution.

As I am not engaged by Mr. Novick or his campaign, I am simultaneously terminating my registration, as required by the rules.
