

ORDINANCE No.

*Approve application under the Multiple-Unit Limited Tax Exemption Program under the Inclusionary Housing Program for North Lombard Apartments located at 7550 N Lombard St (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. On behalf of the City of Portland, the Portland Housing Bureau (“PHB”) administers the Multiple-Unit Limited Tax Exemption Program (the “MULTE Program” or “Program”), authorized under ORS 307.600-307.637 and City Code Chapter 3.103.
2. The MULTE Program provides a 10-year property tax exemption on the residential portion of the structural improvements so long as Program requirements are met. During the exemption period, property owners remain responsible for the payment of taxes on the assessed value of the land and any commercial portions of the project, except for those commercial improvements deemed a public benefit and approved for the exemption.
3. The MULTE Program is an incentive provided to developments complying with the City Inclusionary Housing (“IH”) Program, which requires 99 years of restricted rents of a percentage of units within the building.
4. PHB received a request for a 10-year property tax exemption under the MULTE Program for the development known as North Lombard Apartments (the “Project”) and located at 7550 N Lombard St (the “Property”), in conjunction with the City’s Inclusionary Housing Program. The Project, located in the ST JOHNS neighborhood and the Interstate Corridor Urban Renewal Area, will be a residential only housing project and will restrict fifteen percent, which is six units, of the Project’s 39 units to households earning no more than 80 percent of Median Family Income (“MFI”) at the time of lease-up (the “IH Units”). The Owners of record for the property are Bobbie and Patrick McDonald (“Owners”).
5. The MULTE Program has an annual cap limiting the approval of new property tax exemptions to no more than 15 million dollars of new estimated foregone revenue within a five-year period, defined as any current year and the previous four years. Projects that are in an Urban Renewal Area are not subject to the annual cap and must be approved by Prosper Portland. This Project was approved for the Interstate Corridor URA prior to the Council date.
6. PHB has the responsibility for reviewing compliance of applications with the minimum MULTE Program requirements and has concluded that the application for the Project does indeed meet the minimum Program requirements.

NOW, THEREFORE, the Council directs:

- a. The request for a 10-year property tax exemption under the MULTE Program is hereby approved for 15 percent of the residential portion of the structural improvements of North Lombard Apartments, including 15 percent of residential parking and common areas.
- b. Approval of the application is provided subject to the Project meeting the following conditions:
 1. The Project must restrict 15 percent of its 39 units to households earning no more than 80 percent MFI (the "Restricted Units"). The Restricted Units will reflect the unit-mix in the Project and will consist of six one-bedroom units.
 2. The application will comply with the Program requirements established in City Code Chapter 3.103, including the requirement that the Owners sign a Regulatory Agreement and report annually to PHB each tax year that the exemption and restrictions are in effect.
 3. The Restricted Units will be built to meet all minimum Americans with Disabilities Act and Fair Housing Act requirements. The Project will also be built to ensure at least five percent of the Restricted Units, totaling one unit, be fully adaptable to become fully accessible per ADA and FHA standards if necessary to accommodate tenants with disabilities.
- c. PHB shall provide a copy of this Ordinance to the Multnomah County Tax Assessor as prescribed by City Code Section 3.103.050 (A).
- d. If, prior to the completion of construction, the Project is changed in any way that would reduce the number, percentage or distribution of the Restricted Units in the Project, or the approved public benefits provided, Owners must provide written notice to PHB. If such changes still conform to the Program requirements, PHB will amend the Regulatory Agreement. Such amendment would not be subject to City Council approval if changes are minor and would result in substantially the same Project.

Section 2. The Council declares an emergency exists because timely City approval of the application for the MULTE Program is necessary in order to allow the Project to meet requirements to approve the building permit as outlined by the Bureau of Development Services; therefore, this ordinance shall be in full force and effect from and after its passage by the Council.

Purpose of proposed legislation and background information:

To ensure Portland has economically inclusive development and neighborhoods, the city requires that new buildings being constructed (*with more than 20 units*) also provide Inclusionary Housing units (“IH Units”), restricted for 99 years under the Inclusionary Housing (“IH”) Program.

In exchange for providing IH Units, developers receive some benefits, including a 10-year property tax exemption – typically on all residential units in the Central City, or on only eligible rental units restricted under the IH Program outside the Central City.

For the building associated with this ordinance, below are the IH Program options available to the developer in city code. The option selected by the developer is in bold and highlighted.

	On-Site Units	New Off-Site Units	Existing Off-Site Units	Fee-in-Lieu
Units at 80% of Median Income	6 Units	N/A	N/A	N/A
Bedrooms at 80% of Median Income	6 Bedrooms	N/A	N/A	N/A
Units at 60% of Median Income	3 Units	8 Units	10 Units	N/A
Bedrooms at 60% of Median Income	3 Bedrooms	N/A	N/A	N/A
Units at 30% of Median Income	N/A	4 Units	6 Units	N/A
No IH Units	N/A	N/A	N/A	\$ 551,285

The developer selected the option to provide 15% of the building's 39 units, totaling six units, restricted to households earning no more than 80% median income for 99 years.

Overview of building and units:

39-unit building at 7550 N Lombard St

- i. Market rate units: 33 units
- ii. IH Units: 6 units

	Studio	One Bedroom	Two Bedroom	Three Bedroom
Total	2	37	-	-
Market Rate	2	31	-	-
Restricted at 80% of Median Income	-	6	-	-
Average Square Footage	456	629	-	-
Largest Square Footage	456	694	-	-
Smallest IH Unit	-	618	-	-

Regulated restricted rents compared to new construction market rate rents in the same neighborhood:

	Studio	One Bedroom	Two Bedroom	Three Bedroom
Market Rate	\$1,364	\$1,783	-	-
Restricted at 80% of Median Income	-	\$1,382	-	-
Monthly Rent Difference	-	\$401	-	-
Annual Rent Difference	-	\$4,812	-	-

Over the 99 years of required rent restriction, market rents will only continue to increase at a faster rate compared to regulated rents.

If this ordinance is not approved by City Council, the development will proceed without any IH Units.

ORS 307.621 and City Code Section 3.103.060(B) state that PHB will take applications to City Council for approval in the form of an ordinance and deliver approved

applications to the Multnomah County Tax Assessor. This action meets those requirements.

Financial and budgetary impacts:

The City will pay the \$5,100 application activation fee to Multnomah County, should the application move forward.

This Ordinance approves a property tax exemption resulting in foregone tax revenue. The total estimated amount of the property tax revenue not collected for the 10 years of the exemption period is valued at approximately \$69,187 in today's dollars, assuming a four percent discount rate and a three percent annual assessment increase. This 10-year estimate includes taxes foregone by the City of Portland, Multnomah County and other entities which receive property taxes within Multnomah County. The reduced amount of property taxes to the City of Portland over the 10 years is roughly 33 percent of that amount, or \$22,832. The City will still benefit from property taxes collected on the improved value of the land during the exemption period.

Property tax exemption value and foregone revenue:

Estimated total foregone revenue:	\$69,187
Estimated first year value of the tax exemption:	\$7,512
Estimated annual value of the tax exemption per IH Unit during the exemption period:	\$1,153
Estimated annual foregone revenue per IH Unit over 99-year restriction term:	\$116

Central City Plan District: Yes No

Remaining 5-Year Cap: \$10,555,370

Property Management: Not selected yet

Community impacts and community involvement:

As the largest taxing jurisdiction affected by the tax exemption programs, Multnomah County has approved the administration of the programs in order to meet shared affordable housing goals.

100% Renewable Goal:

Approval of the MULTE does not impact the City's total or renewable energy use.
