All ideas, arrangements, drawings and plans set forth on this sheet are the original work product of, owned by and are the property of Builders Design, Inc., an Oregon corporation, and use of this said work product is limited to a specified project for the persons named hereon, and for the construction of one building. Any use, reuse or disclosure of said plans, reproductions or project, ideas, designs and/or arrangements, other than by Builders Design, Inc., is strictly prohibited without the written permission of Builders Design, Inc. Written dimensions on these drawings have precedence over scaled dimensions; contractors shall verify and be responsible for all dimensions and conditions on the job and this office must be notified of any variations from the dimensions and conditions shown by these drawings. Shop details must be submitted to this office for approval before proceeding with fabrication. Supervision is not included unless specified in work contract.
