ADDITIONAL SUBMITTAL REQUIREMENTS ON PAGE 2

Onsite Septic Evaluation Application Submittal Checklist

This checklist is to assist with submitting all required documents to ensure a complete submittal package. **Plans submitted NO larger than 11"x17"**

FOR ALL EVALUATIONS (except decommissioning)

- Completed Septic Evaluation Application Form and applicable fees
- Completed Authorizing Representative Form
- Site Plans - Scaled and legible **showing ALL:**
 - Existing and proposed structures, driveways, access roads, decks, patios, pastures, outbuildings, etc
 - Stormwater disposal location(s) for each structure &/or impervious area within 100' of septic system
 - Existing tank and drainfield
(Location of septic tank and the length and direction of all drainfield lines must be accurately shown on site plan. Records research and/or physically locating the tank & drainfield may be necessary.
 - Replacement drainfield area
 - Private wells onsite and within 100' of the drainfield (including wells on neighboring properties)
 - Water line from identified water source
 - Drainageways, creeks, streams, &/or seasonal wet depressions
 - North Arrow
 - Topographic contours or direction of slope
 - Date plan prepared and signature of preparer
- Floor plans (room identification is sufficient)
- Property address assigned by Multnomah County for all parcels within existing or proposed development

SITE EVALUATION REPORT for test pit evaluation

- Test pit location(s) on site plan (for new systems and major repair)
- Must have at least 3 distances shown (i.e. distance from west property line, south property line, and other test pit)

TEST PIT REQUIREMENTS:

- 3'x3' square and 5' deep
- Stepped to access bottom of pit

AUTHORIZATION NOTICE

- Site plans - clearly indicate existing and proposed conditions, buildings and additions
- Floor plans - clearly indicate existing and proposed conditions
- Pump receipt with Existing System Evaluation Report for Tank (ESER form)
- Proposed design flows see - OAR 340-071-220 Table 2

SEPTIC PLANNING REVIEW CERTIFICATION –

Land Use Review

- Septic Review Certification Form (Land Use/Planning; green form)
- Site plans must show
 - Existing and proposed property lines
 - Proposed building, addition, etc
 - Concrete patios, outbuildings, etc
- Floor plans for existing and/or proposed structures (as applies)

How to submit

Onsite Septic Evaluation Application, required submittal checklist items, and fees may be submitted:

In Person: City of Portland Development Services Center, Trade Permits, 1900 SW 4th Ave., First Floor, Portland, OR 97201 | For Hours Call 503-823-7310 | Select option 1.

By Mail: Send a complete application and check payable to the City of Portland, Attention: Trade Permits, 1900 SW 4th Avenue, Suite 5000, Portland, OR 97201.

Onsite Sanitation/Septic approval is required prior to any building permit issuance.

Land Use offices

For properties located within incorporated cities, obtain land use approval from local City jurisdiction. For properties located within rural unincorporated Multnomah County, obtain land use approval from the Multnomah County Land Use Office at 1600 SE 190th Portland, OR 97233, Phone (503) 988-3043.

Other Permits

For West Multnomah County: plumbing, electrical, and building permits are issued by the City of Portland.

For East Multnomah County (excluding Troutdale and Maywood Park): plumbing, electrical, and building permits are issued by City of Gresham, Permit Services, 1333 NW Eastman Parkway, Gresham, OR 97030, 503-661-3000.

Plan Review

- Allow a minimum of 20 working days to review application packets. You will be notified of status by either a checksheet or an issued permit.
- Checksheets will be sent to applicant and property owner requesting additional information and/or plan revisions if corrections are required. Third and subsequent checksheets will require an additional fee.

Inspections

- Call 503-823-7000 and use the IVR number assigned to your permit to request the three digit inspection code(s) for the inspection(s) you would like to schedule. Please retain the confirmation number given.

Records of Septic Systems

- Historic records are available online at portlandmaps.com, under *Permits & Zoning>Permits>Historic Permits*.
- For all non property owners, a records request and fee is required for in-office records searching. The form can be found online at: <http://www.portlandonline.com/bds/index.cfm?a=288783&c=45051>. Please send form and fee to the attention of Site Development.
