Final Plat Intakes

From: 11/25/2013

Thru: 12/1/2013

Run Date: 12/2/2013 13:44:2

Case Number	Address	Work Proposed	Type of Use	Date Rec'd	Date Issued	Status
13-155144-000-00-FP	610 NW 17TH AVE, 97209	FP - Final Plat Review		11/26/13		Application

Approval of a Preliminary Plan for a 2-parcel partition that will result in 2 parcels, as illustrated with Exhibit C.1, subject to the following conditions:

A. Supplemental Plan. Five copies of an additional supplemental plan shall be submitted with the final plat survey for Land Use Review, Life Safety, BES, and Fire review and approval. That plan must portray how the conditions of approval listed below are met. In addition, the supplemental plan must show the surveyed location of the following:

"Any buildings or accessory structures on the site at the time of the final plat application;

"Any driveways, off-street vehicle parking or loading areas, and any associated landscaping on the site at the time of the final plat application;

"Any other information specifically noted in the conditions listed below.

B. The following must occur prior to Final Plat approval:

Utilities

1. The applicant must complete the work to separate the sanitary sewer and stormwater plumbing into two individual connections to the public sewer main, within each lot's frontage, and have all applicable permits finalized for such work, to the satisfaction of the Bureau of Environmental Services (BES). BES will also require a Supplemental Plan showing as-built locations of the permitted utility improvements.

Existing Development

2. The applicant must obtain finalized permits to demonstrate the existing structures that will remain on Parcel 1 and Parcel 2 will be separate buildings, with independent utilities, and will comply with the applicable Zoning Code, Building Code, and Fire Code standards relative to the proposed new lot lines to the satisfaction of Land Use Services, Life Safety, and the Fire Bureau. In the event any appeals or adjustments are granted to allow exceptions to the standards, the permits must demonstrate compliance with any approved alternative methods. The as-built locations of any permitted alterations or utility improvements must be identified on the Supplemental Plan.

A. Supplemental Plan. Three copies of an additional supplemental plan shall be submitted with the final plat survey for Land Use Review and approval. This plan must portray how the conditions of approval listed below are met. In addition, the supplemental plan must show the surveyed location of the following:

"The arborist-proposed drip lines around trees to be preserved and any other root protection zones of trees to be preserved, the conceptual building footprints with driveways, utilities, stormwater facilities and underground utility lines and any other requested information.

B. The final plat must show the following:

- 1. The existing 15-foot wide City of Portland sanitary sewer easement that runs across the rear of Parcels 1 and 2 must be shown on the final plat.*
- 2. The existing sewer easement over the western corner of Parcel 2 must be shown on the final plat.*

C. The following must occur prior to Final Plat approval:

Streets

- 1. The applicant shall meet the requirements of the City Engineer for right of way improvements along the site's street frontage. The applicant shall submit an application for a Public Works Permit to widen the existing paving by 4 feet, and provide plans and financial assurances to the satisfaction of the Portland Bureau of Transportation for required right of way improvements.*

Utilities

- 2. The applicant shall meet the requirements of the Fire Bureau for ensuring adequate hydrant flow from the nearest hydrant. The applicant must provide verification to the Fire Bureau that Appendix B of the Fire Code is met, the exception is used, or provide an approved Fire Code Appeal prior final plat approval.*

Existing Development

- 3. A final inspection of a decommissioning permit for the existing sanitary sewer is required.*
- 4. A finalized permit for demolition of the existing residence on the site must be obtained.*
- 5. The existing sanitary sewer connection must be capped. (Note that Title 24 requires a 35-day demolition delay period for most residential structures.)*

requires a 30-day demolition delay period for most residential structures.)

Required Legal Documents

4. The applicant shall execute an Acknowledgement of Tree Preservation Requirements that notes tree preservation requirements that apply to Parcels 1 and 2. A copy of the approved Tree Preservation Plan must be included as an Exhibit to the Acknowledgement. The acknowledgment shall be recorded with Multnomah County and referenced on the final plat.

D. The following conditions are applicable to site preparation and the development of individual lots:

1. Prior to initiating any grading, clearing or grubbing activities on the site, including demolition of the house, the applicant shall install both tree protection fencing and erosion control devices.

2. Development on Parcels 1 and 2 shall be developed in conformance with the Tree Preservation Plan (Exhibit C.6) and the applicant's arborist report (Exhibit A-4). Specifically, trees numbered 3004 (10' RPZ), 3305 (15' RPZ), 3013 (22' RPZ), 97 (16' RPZ) and 3014 (16' RPZ) are required to be preserved, with the root protection zones indicated on Exhibit C-2. Tree protection fencing is required along the root protection zone of each tree to be preserved.

3. Tree protection fencing must be 6-foot, chain link and installed to the requirements listed in the Arborist Report.

4. Planning and Zoning approval of development in the root protection zones is subject to receipt of a report from a certified arborist, explaining that the arborist has approved of the specified methods of construction, and that the activities will be performed under his supervision.

5. Any work th

Final Plat Intakes

Run Date: 12/2/2013 13:44:2

Case Number	Address	Work Proposed	Type of Use	Date Rec'd	Date Issued	Status
13-190639-000-00-FP	1605 SE CLINTON ST, 97202	FP - Final Plat Review		11/26/13		Application

Approval of a Preliminary Plan for a 2-parcel partition, that will result in one standard lot and one flag lot, as illustrated with Exhibit C.1, and subject to the following conditions:

A. Supplemental Plan. Three copies of an additional supplemental plan shall be submitted with the final plat survey for review and approval. That plan must portray how the conditions of approval listed below are met. In addition, the supplemental plan must show the surveyed location of the following:

"Any buildings, accessory structures and fences on the site at the time of the final plat application;

"The location of the existing 34-inch Douglas fir tree;

"The proposed general location of future building footprints and stormwater facilities for Parcel 2;

"Any other information specifically noted in the conditions listed below;

B. The final plat must show the following:

1. A recording block for each of the legal documents such as an acknowledgement of tree preservation requirements as required by Condition C.7, below. The recording block(s) shall, at a minimum, include language substantially similar to the following example: "An Acknowledgement of Tree Preservation Requirements" has been recorded as Document No. _____, Multnomah County Deed Records."

C. The following must occur prior to Final Plat approval:

Streets

1. The applicant shall meet the requirements of the City Engineer for right of way improvements along the site's street frontages. The applicant must obtain an approved Right of Way permit from the Portland Bureau of Transportation to reconstruct the required sidewalk corridors. The improvements along the frontage of Parcel 1, where the existing house will be retained, must be constructed prior to final plat approval. The improvements along the frontage of the undeveloped lot may be constructed with development on the lot as per the City Engineer's discretion.

2. A financial guarantee shall be provided to the satisfaction of the City Engineer to ensure that sidewalk improvements are constructed along Parcel 1, the proposed lot with the existing house; subject to any requirements of a public works appeal of this condition.

3. If sidewalk reconstruction conditions are successfully appealed, a copy of the approved public works appeal must be submitted with the final plat application.

Utilities

4. The applicant shall meet the requirements of the Site Development Section of the Bureau of Development Services for the decommissioning of the existing sanitary sewer system on the site.

5. The applicant shall meet the requirements of the Fire Bureau for ensuring adequate hydrant flow and hydrant spacing.

Existing Development

6. The applicant must plant street tree(s) along all public street frontages adjacent to Parcels 1 and 2. Street trees will be selected from the City's approved street tree list. Tree size requirements for residential sites are to be 2-inch caliper. The applicant shall contact Urban Forestry at 503-823-4018 prior to selecting trees to discuss the species of trees that are permitted and to obtain the planting permit. Urban Forestry must inspect and approve the newly planted trees during building permit review and approval.

*7. Demolition of the existing garage is required. The applicant must provide documentation prior to final plat approval that all required demolition permits have received final inspection.
Required Legal Documents*

8. The applicant shall execute an Acknowledgement of Tree Preservation Requirements that notes tree preservation requirements that apply to Parcel 1. A copy of the approved Tree Preservation Plan must be included as an exhibit to the acknowledgement. The acknowledgment shall be recorded with Multnomah County and referenced on the final plat.

D. The following conditions are applicable to site preparation and the development of individual lots:

1. Any development or future redevelopment on Parcel 1 shall be in confor

ORAVILLE
LOT 13&14 TL 9700

A. Supplemental Plan. Three copies of an additional supplemental plan shall be submitted with the final plat survey for review and approval. That plan must portray how the conditions of approval listed below are met. In addition, the supplemental plan must show the surveyed location of the following:

- "Proposed permitted development not yet constructed on Parcel 1;*
- "Trees on Parcel 1;*
- "Any buildings or accessory structures on the site at the time of the final plat application;*
- "Any driveways and off-street vehicle parking areas on the site at the time of the final plat application;*
- "Any other information specifically noted in the conditions listed below.*

B. The final plat must show the following:

1. The applicant shall meet the street dedication requirements of the City Engineer for SE Ogden Street. The required right-of-way dedication must be shown on the final plat. At the time of the final review for the frontage improvements, per Condition C.1, below, it may be determined that a dedication is not required.

2. A recording block for each of the legal documents, such as the acknowledgement of special land use conditions, as required by Condition C.4 below. The recording block(s) shall, at a minimum, include language substantially similar to the following example: "An Acknowledgement of Tree Preservation Requirements has been recorded as document no. _____, Multnomah County Deed Records."

C. The following must occur prior to Final Plat approval:

Streets

1. The applicant shall meet the requirements of the City Engineer for right-of-way improvements along the site's street frontage. The applicant shall submit an approvable engineered design for the public drainage improvements (as determined by BES engineering staff), financial guarantee (bond), and engineering fees to the satisfaction of the Portland Bureau of Transportation and the Bureau of Environmental Services for the required street frontage improvements.

Utilities

2. The applicant shall meet the requirements of the Fire Bureau for ensuring adequate hydrant flow from the nearest hydrant. The applicant must provide verification to the Fire Bureau that Appendix B of the Fire Code is met, the exception is used, or provide an approved Fire Code Appeal prior final plat approval.

Existing Development

3. The applicant must remove the garage and 3 detached accessory structures on Parcel 1. To document the removal of these structures, the applicant must submit before and after photos of the removal (with the same perspective). Alternately, the applicant can execute a covenant with the City stating that the structures will be removed if a primary structure has not received final inspection on the lot(s) with the accessory structure(s) within two years of final plat approval. The covenant must be recorded with Multnomah County prior to final plat approval.

Required Legal Documents

4. The applicant shall execute an Acknowledgement of Tree Preservation Requirements that notes tree preservation requirements that apply to Parcel 2. A copy of the approved Tree Preservation Plan must be included as an Exhibit to the Acknowledgement. The acknowledgment shall be recorded with Multnomah County and referenced on the final plat.

Other requirements

5. The applicant must demonstrate that Parcel 1 is in conformance with the required T1 standards (Zoning Code Section 33.248.020.H) by completing one of the following: (1) revise the permit for the new house on Parcel 1 (13-136201 RS); or (2) obtain and final a Zoning Permit to provide the required tree(s).

D. The following conditions are applicable to site preparation and the development of individual lots:

1. Development on Parcel 2 shall be in conformance with the Tree Preservation Plan. S
