# Multi-Dwelling Structure (3 units or more) Type A Accessory Short-Term Rental Permit Application

An accessory short-term rental (ASTR) is one where an individual or family resides in a dwelling unit and rents bedrooms to overnight guests for less than 30 days. The regulations allow accessory short-term rentals in all residential structure types when accessory to a Household Living use. These regulations are found in section 33.207 in the City of Portland’s Title 33 Planning & Zoning Code.

There are two types of accessory short-term rentals based on the number of bedrooms rented:

- **Type A Accessory Short-Term Rental** is one where the operator rents no more than 2 bedrooms to overnight guests. **A Type A Accessory Short-Term Rental Permit is required.**
- **Type B Accessory Short-Term Rental** is one where the operator rents between 3 and 5 bedrooms to overnight guests. **A Conditional Land Use Review is required.**
