<i>This application requests City approval of needed improvements to the existing Natural Center parking loop, including trail sections that connect to the parking. Currently, the parking is configured as an elongated drive aisle loop with parking spaces along both long sides of the loop. Functionally, parking occurs not only in the designated parking spaces, but also along much of the drive aisle shoulder when designated spaces are full. (When the drive aisle shoulder and the designated spaces are full, overflow also occurs in the nearby equine lot.) Consequently, parking along the shoulders does not allow enough room for safe passage of emergency response vehicles.</i>						
	1S1E34 00200		Applicant: SCOTT STEWART OREGON PARKS AND RECREATION DEPT 725 SUMMER ST NE SUITE C SALEM OR 97301		Owner: OREGON STATE OF 525 TRADE ST SE SALEM, OR 97310	
	SECTION 34 1S 1E TL 200 158.16 ACRES					
<i>This project will realign a portion of the drive aisle and formalize the shoulder parking to allow safe emergency vehicle passage. The additional designated parking will increase the total capacity to a level closer to actual current use during typical peak use periods, with overflow continuing to occur in the equine lot. A portion of the asphalt trail system leading from the parking loop toward the Nature Center will be replaced, and the asphalt trail leading to the picnic shelter will be overlaid with new asphalt.</i>
