

Hazardous Materials and Residential Demolitions Task Force

March 16, 2015

1:00 p.m. – 2:30 p.m.

1900 SW 4th Avenue, Portland, OR

Room 5(A)

Agenda

Purpose of the meeting is to:

- Review work that has been done, or is in progress, regarding the handling of hazardous waste materials in demolitions of single family residential structures in Portland. This includes education as well as operation process.
- Discuss proposals for a self-declaration form
- Discuss ideas for future educational and informational tools
- Determine contact information for various regulatory agencies
